

# EXPORTECH™

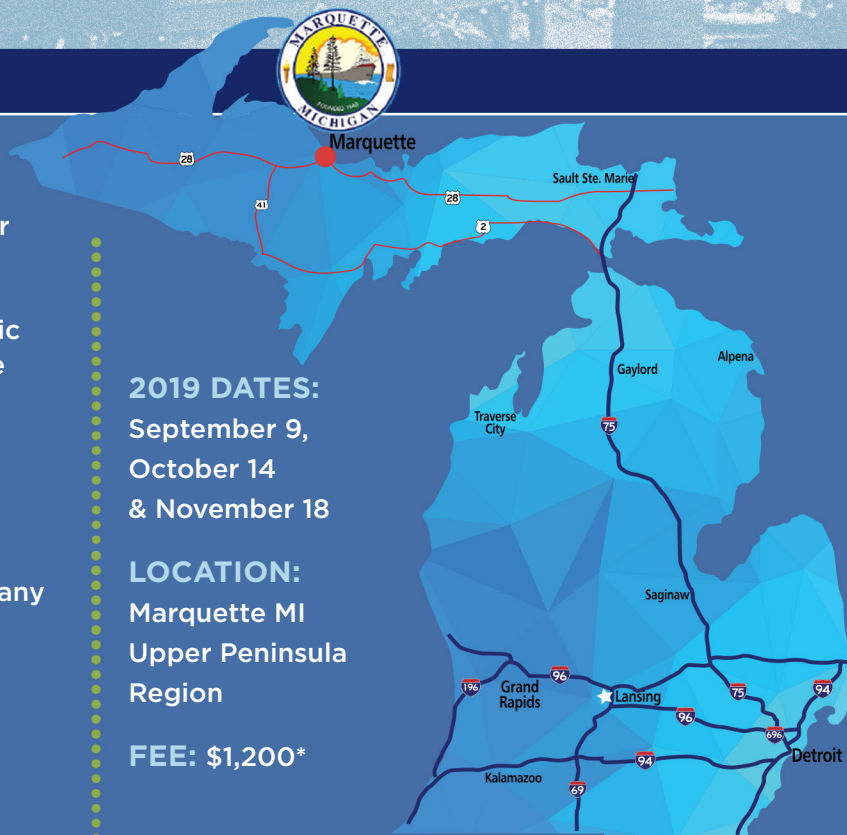

*An Export Acceleration System  
for Achieving Profitable Growth*

## UPPER PENINSULA REGION

**ExporTech**, the national export assistance program that helps companies accelerate their growth in global markets, is coming to the Upper Peninsula for the first in September. **ExporTech** is a structured export strategy and business development process to develop written strategic plans for export growth and connect with a wide range of experts to catalyze export sales.

### ExporTech™ Program Highlights:

- Only national program that results in a customized export growth plan for each company
- Designed for manufacturing and technology company executives
- Intensive, structured process with workshops, planning tools, and individual coaching
- Connect to a wide range of local and national resources
- Peer group model – drives accountability, action, learning, networking
- Each company will be assigned a coach and a team of students to assist with research and strategic plan
- Program is designed for CEOs, VPs and Directors responsible for international growth
